

JayRan Ventures

2025 / 2026 Team Fundraising Info

JayRan Ventures is a small family distribution company based out of Sherwood Park. We are happy to be the supplier of Cudlobe Angus Beef (Certified Black Angus). We are passionate about providing high-quality, (AAA + or Prime) Alberta beef to our customers. Our story began in October of 2024 with a vision to bring top-notch Angus beef to the community, and we take pride in setting ourselves apart from the competition by delivering exceptional quality and service.

Testimonials:

"The quality of the meat is exceptional, you can truly taste the difference.

It's rare to find such great service paired with top-tier product quality. We'll absolutely be coming back!"

-Blake Manning

"Working with JayRan Ventures for our team's beef raffle was an absolute game-

changer. The process was incredibly smooth from start to finish & the quality of the meat was top-notch.

What really stood out was the return, we raised a significant amount for our team, far exceeding expectations. The support from JayRan Ventures made all the difference."

-Head Coach Brian Radmacher (SP701)

How Our Raffle Works:

- Team(s) contacts us to inquire about a meat raffle
- Discuss Details & Options (raffle dates, availability, whole, half or quarter beef)
- Confirmed orders require a non-refundable deposit of \$300.
- Start printing selling your tickets!
- Order will be placed.
- Final product will be a diverse selection of cuts. (These include steaks, roasts, ground beef, and stew meat) providing a well-rounded assortment for raffle participants.
- Invoice will be issued once Final Hanging Weight (HCW) is supplied by processor.
- Date for Pick up/delivery will be confirmed
- Teams forward us the contact info of the winner(s) & we will coordinate delivery or arrange pick up accordingly.
- All meat is fully inspected, professionally cut, wrapped, and frozen, ensuring quality and safety for the recipient.

Cost Breakdown:

(Based off a Quarter Beef)

*** For Example only, \$ values are not actual***

\$8.95/lbs HCW

Approx weight of a quarter 250lbs HCW

$\$8.95 \times 250 = \$2,237.50$

Sell 400 tickets at \$20 each

$400 \times \$20 = \$8,000$

$\$8,000 - \$2,237.50$

=

$\$5,762.50$ Gross Profit

Please note: weights vary by animal, final costs will differ with each order. Numbers are for example only.
